Adept at project management and critical thinking, I significantly enhanced client satisfaction during my tenure at Bida Fiber Converge by developing and delivering customized web solutions on time. My ability to manage multiple projects, write clean and efficient code, and adapt to changing requirements resulted in repeat business and referrals, showcasing my teamwork and software development skills. Proven track record of successfully handling concurrent freelance assignments while meeting deadlines and maintaining high client satisfaction. Possessing excellent communication skills, I interact effectively with both technical and non-technical personnel at all levels.
